

DESIGN Umberto Asnago – 2025

**Scrivanie.** I piani sono realizzati con pannelli tamburati realizzati con bordi e traversi in massello di faggio, cartone a nido d'ape e pannelli in particelle di legno impiallacciati o rivestiti in cuoio. Le gambe sono in pannello multistrato curvato in stampo leggermente imbottito e rivestito in pelle trapuntata a losanghe oppure non imbottito e rivestito in cuoio; sono inoltre dotate di un profilo inferiore in acciaio verniciato in colore champagne. Nella scrivania con due gambe il pannello di cortesia può essere dotato di strisce led.

**Cassettiere e mobili.** Strutture in nobilitato nero con fianchi sempre rivestiti in cuoio o in pelle. Frontali di ante e cassetti disponibili rivestiti in cuoio o in pelle o impiallacciati nelle essenze disponibili di serie. Cassetti in multistrato laccati neri. Maniglie in acciaio verniciato in colore champagne. Zoccolo inferiore in MDF laccato colore champagne.

**Cuoio e pelle.** Le cuciture sono disponibili solamente nella versione in cuoio; nella versione in pelle non sono disponibili. Le gambe e i fianchi dei mobili hanno una trapuntatura a losanghe che può essere effettuata solo sulla pelle e non sul cuoio. In base alla categoria di cuoio scelta, la misura dei diversi "tagli" dello stesso può variare in maniera sensibile.

**Essenze disponibili di serie.** Noce canaletto fiammato 20 gloss, palissando Santos tinto marrone scuro. Altre finiture disponibili solo su richiesta.

**Desks.** The tops are made with honeycomb panels made with edges and crosspieces in solid beechwood, honeycomb cardboard and particleboard panels veneered or covered in saddle leather. Legs are made of poplar plywood panel curved in mould, slightly padded and covered in diamond quilted leather or not padded and covered in saddle leather; they also are equipped with a lower metal profile painted in champagne color. In the two legs desk version, the modesty panel can also be equipped with led strips.

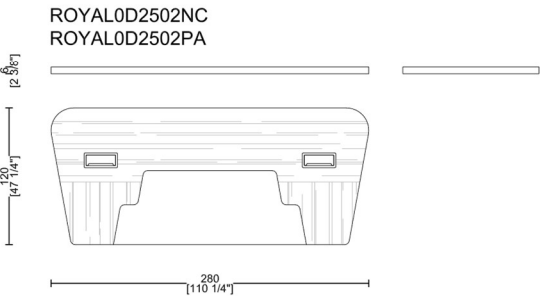

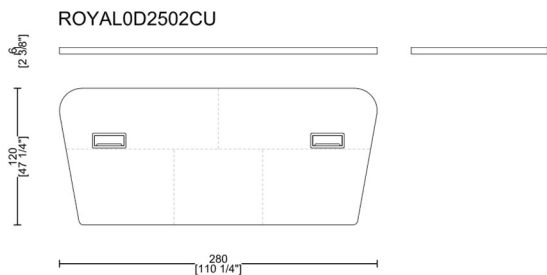

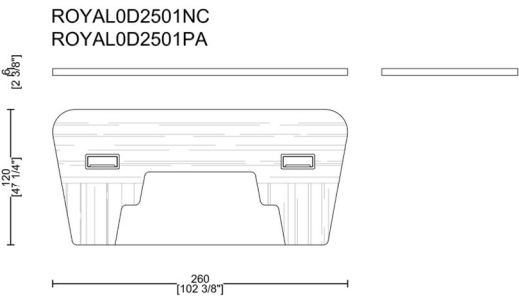

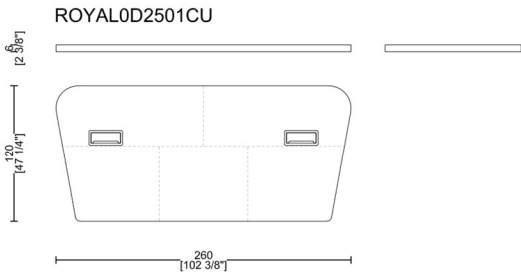

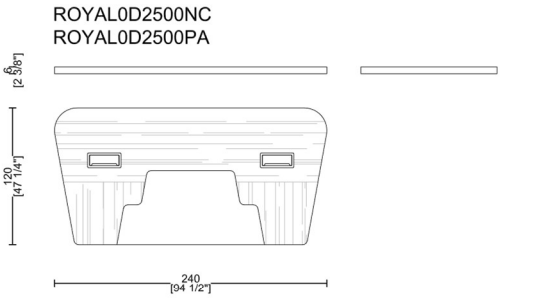

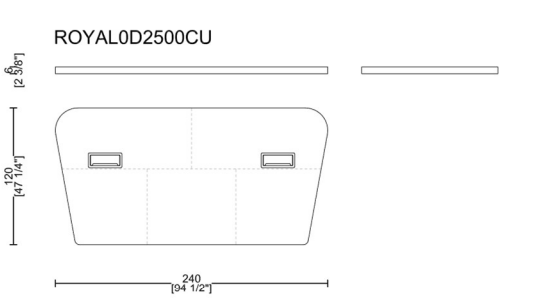

**Pedestal and cabinet.** Frame in black melamine coated panels with sides always covered in saddle leather or soft leather. Fronts of drawers and doors are made in melamine coated panels and are available veneered or covered in saddle leather or soft leather. Drawer's frame in black lacquered plywood. Handles in steel painted in champagne color. Spacer element in champagne color lacquered MDF.

**Saddle leather and soft leather.** The stitchings are available only in the saddle leather version; in the soft leather version they are not available. The legs and sides of the cabinets have a diamond quilting that can only be done on soft leather but not on saddle leather. Depending on the category of saddle leather chosen, the size of its different "cuts" can vary significantly.

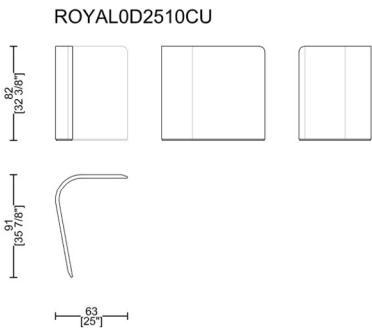

**Standard wood veneers available.** Veined black walnut wood 20 gloss, dark brown stained Santos rosewood. Other finishes available only on request.
